

THE HOME MED RESEARCH STUDY

FINDING THE BEST WAY TO PRESCRIBE MEDICATIONS FOR HOME HEALTH PATIENTS LIKE YOU

If you are age 65 or over and you:

- Were hospitalized in the past 2 years
- Received home health care services after returning home from the hospital in the past 2 years
- Take 5 or more prescribed medications

You may be qualified to participate in “Concept Mapping,” where you will organize and rate statements about medications. This activity can be done online or by phone. You will receive \$50 for your participation.
